The Constitution of the Australian Addison's Disease Association Incorporated (AADAI) makes membership open to people living with adrenal insufficiency and to others who share the goals of the Association.

New member's kits are sent to **Australian members only** with adrenal insufficiency on first joining when the form is processed. This kit contains information to help you begin living well with adrenal insufficiency.

Guardians of children and incapacitated applicants use this form, so information goes to the guardian.

Gift memberships are also possible for family/friend. **Use both sides as for guardians** but tick the box above.
